Nicolás Alejandro Vera

Software Engineer

+54 (2932) 57-4293 | Argentina | hello@veranicolas.com | veranicolas.com

I am a developer with two years of experience, primarily focused on React + TypeScript and Java. I graduated with a Bachelor's degree in Computer Science. I enjoy developing end-to-end products. While my experience is centered on developing APIs and integrating services, recently I've been working with technologies such as Generative AI to design solutions that require NLP (Natural Language Processing).

Experience

Sr Consultant Full-stack developer
Allata

January 2023 -Present
Remote

- Developed internal web project for staff management using serverless backend with AWS Lambda (Typescript) and React
- Developed Java API from scratch using Clean Architecture principles to implement patient transportation request system for a healthcare client
- Made integration with a third-party transportation provider
- Deployed a Lambda based API that uses Chroma and AWS Bedrock to provide NLP solutions for analyzing documents

Junior DevOps Engineer
Zyzygy

March 2021 - August 2021
Remote

- Contributed to designing solutions to enhance CI/CD architecture
- Acquired beginner knowledge with technologies including Docker, Kubernetes (k8s), Harbor, Elastic Stack, Jenkins, TeamCity, and GCP
- Integrated LaunchDarkly feature management platform for client company, which provides functionality like A/B testing and targeted rollouts

Undergraduate Teaching Assistant - Computer Theory course
Universidad Nacional del Sur

March 2020 - December 2020
Bahía Blanca

- Listened to, motivated, and encouraged students in their learning
- Produced short video lessons to supplement course material

Education

Bachelor's degree in Computer Science
Universidad Nacional del Sur

March 2017 - June 2023
Bahía Blanca

- GPA (Argentina): 9.64 out of 10

Skills

Programming languages	Java, Javascript, Typescript, Node
Frameworks and tools	React, Spring, NextJS, PostgreSQL, MongoDB, AWS
AI	Chroma, AWS Bedrock, OpenAI, LangChain, RAG

Certifications

AWS Cloud Practitioner

Azure Fundamentals
